Chapter 16-239 WAC

WSDA GRAIN INSPECTION PROGRAM--DEFINITIONS, STANDARDS, FEES AND CHARGES

WAC 16-239-010 Definitions. "Department" means the Washington State Department of Agriculture.

"Fee" means any charge made by the department for:

- (1) Inspecting and handling any commodity; or
- (2) Any service related to weighing or storing grains or commodities.

"GIPSA, FGIS" means the Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service.

"Official commercial inspection services" means a contractual agreement between the applicant and the department that includes, but is not limited to, the following:

- (1) An applicant developed list or narrative that includes the specific inspection services and service scope they are requesting;
- (2) An applicant developed timeline showing when specific inspection services must be performed by the department; and
- (3) The specific inspection space and equipment that the applicant will provide at their expense.

"Overtime" means:

- (1) Any time worked on Saturdays, Sundays, or holidays; and
- (2) All time worked before or after regularly scheduled working hours on Monday through Friday.

"Ton" means two thousand pounds avoirdupois.

"USDA" means the United States Department of Agriculture.

WAC 16-239-020 Washington state grain and commodity inspection points. The following cities are department-designated points for inspecting and weighing standardized grains, beans, peas, lentils and other commodities:

Colfax
Kalama
Olympia
Pasco
Seattle
Spokane
Tacoma
Vancouver

WAC 16-239-030 Commodities covered by chapter 22.09 RCW. Commodities covered under chapter 22.09 RCW with respect to sampling, inspection, weighing, and quality or constituent determinations include all:

- (1) Grains with standards or inspection criteria established under the United States Grain Standards Act;
- (2) Commodities with standards or inspection criteria established under the Agricultural Marketing Act;
- (3) Commodities with standards or inspection criteria established under Washington state standards; and
- (4) By-products resulting from conditioning or processing the grains and commodities listed in this section.

WAC 16-239-040 Grades and standards adopted by Washington state. Washington state has adopted the following grades and standards:

- (1) The grades and standards established by the United States Department of Agriculture from August 1, 1984, to the present that apply to all grains and commodities regulated by this chapter.
- (2) The procedures to sample, grade, test and weigh grains and commodities, established by the regulations and instructions under the United States Grain Standards Act and the Agricultural Marketing Act of 1946.

WAC 16-239-050 Scale testing. The United States Department of Agriculture, Grain Inspection, Packers and Stockyards Administration, Federal Grain Inspection Service (USDA, GIPSA, FGIS) has delegated official scale testing and scale authorization authority to the department. All scales in Washington state under USDA, GIPSA, FGIS jurisdiction must comply with the following testing requirements:

- (1) Scales must be tested and certified for accuracy at least twice each year by an authorized Washington state department of agriculture scale expert or a USDA, GIPSA, FGIS scale specialist.
- (2) When tested by the department or by USDA, GIPSA, FGIS, a seal must be placed on the scales. This seal must be dated and must indicate approval or rejection.
- (3) When scales are tested, copies of the test report must be:
 - (a) Forwarded to the USDA, GIPSA, FGIS;
 - (b) Maintained by the department; and
 - (c) Maintained at the facility where the scale is located.

WAC 16-239-060 Guarantee of expenses. When service is requested that requires assigning personnel to a facility where the volume of work at the established fee will not cover the cost of providing the service, a guarantee of expenses is required.

WAC 16-239-061 Guaranteed staffing levels. If the department has an adequate number of trained personnel, an applicant for services may contract with the department for guaranteed staffing levels at negotiated minimum hours and unit fees.

WAC 16-239-062 Additional fees to cover insufficient revenue at export locations.

- (1) When the lot size or workload is of insufficient size to generate revenue equivalent to the per hour straight time fee per employee, an additional fee must be assessed.
- (2) The purpose of the additional fee is to insure that the total revenue generated on a daily basis is equal to the per hour straight time fee per employee.
- (3) Upon the applicant's written request, the additional fee may be established using the average hourly revenue generated at the worksite over the Monday through Sunday workweek (weekly averaging).
- (4) Without a written request, the additional fee must be assessed on a daily basis.

Note: The weekly averaging computation uses the prior week's invoices for ship lots completed before the start of business on Monday. It does not include fees assessed for GIPSA, FGIS scale authorization, overtime, late notice, call-back, standby, shift request, or shift cancellation.

A handwritten signature in cursive script is written over a circular official stamp. The stamp contains the text "SCALE APPROVAL" at the top and "FEDERAL GRAIN INSPECTION SERVICE" around the bottom edge. The signature appears to be "L. H. H. H."

WAC 16-239-063 Official commercial inspection services. The department may provide on-site official commercial inspection services, at the applicant's request, when all of the following conditions are met:

- (1) Appropriate space, equipment and security must be provided by the applicant.
- (2) The applicant must provide a written document fully describing the services requested.
- (3) The department must be able to provide appropriate licensed personnel to accomplish the service requested.
- (4) A guarantee of expenses is negotiated.

Note: The applicant must fully describe the requested services in writing so the department can determine appropriate staffing levels and develop a guarantee of expenses proposal.

WAC 16-239-064 Calculating travel time, mileage and per diem. When department personnel perform services at locations other than department-designated grain and commodity inspection points, the applicant must pay the department:

- (1) Travel time for each department employee from the established inspection point to the service location and return at the rates in effect at the time the service is performed.
- (2) Mileage from the established inspection point to the service location and return for each vehicle involved. The mileage rate is assessed according to the state of Washington's general administration private vehicle mileage reimbursement rate in effect at the time the service is performed.
- (3) If applicable, a per diem rate will be assessed for each department employee equal to the established state of Washington travel status per diem rates in effect at the time the service is performed.

WAC 16-239-065 Payment of fees and charges.

- (1) All department fees and charges for services rendered are due within thirty days of the statement date.
- (2) If the department does not receive payment within thirty days:
 - (a) Services may be withheld until the delinquent account is paid; or
 - (b) Cash payment for subsequent services may be required.
- (3) The department assesses a penalty of twelve percent per annum on all delinquent account balances.

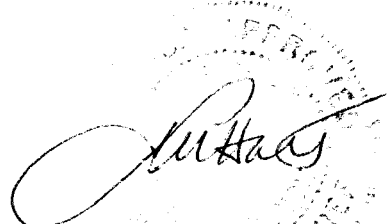

WAC 16-239-070 Basic WSDA grain program fees for service. Basic WSDA grain program fees for service and related requirements are contained in WAC 16-239-071 through 16-239-079.

WAC 16-239-071 Straight time rate.

- (1) Except for a GIPSA, FGIS scale authorization service, the department's per employee straight time rate is:

Rate Per Hour	\$29.50
---------------	---------

- (2) The straight time rate is assessed when:
 - (a) No other fee, guarantee of expenses or contractual agreement exists; or
 - (b) It is specified in the schedule of fees; or
 - (c) The fees generated through the service provided are not equivalent to the straight time rate, per hour, per employee (including applicable supervisory and clerical employee hours).

A handwritten signature in cursive script is written over a circular official stamp. The stamp contains the text "OFFICIAL" at the top and "WSDA" at the bottom, with some illegible text in the center.

WAC 16-239-072 GIPSA, FGIS scale authorization fee.

(1) The department's per employee GIPSA, FGIS scale authorization fee is:

Rate Per Hour	\$39.00
----------------------	----------------

- (2) The GIPSA, FGIS scale authorization fee, per hour, per employee is assessed when GIPSA, FGIS scale authorization services are requested or required.
- (3) In addition to the hourly GIPSA, FGIS scale authorization fee; the department may assess travel time, mileage, per diem, overtime, late notice, call-back, standby and service cancellation fees

WAC 16-239-073 Overtime and night shift rates.

(1) The department's per employee overtime and night shift rates are:

Rate Per Hour	\$7.70
----------------------	---------------

- (2) In addition to regular inspection and weighing fees, the department will charge overtime and night shift rates per hour, per employee, including applicable supervisory and clerical employee hours, when a service is requested:
- (a) Before or after regularly scheduled working hours, Monday through Friday; or
 - (b) During established meal periods on any shift; or
 - (c) Anytime on Saturdays, Sundays or holidays.
- (3) When an applicant contracts for a permanent night shift, the overtime and night shift rates for the night shift will be waived after the initial seven-day notice period expires.

WAC 16-239-074 Late notice fee.

(1) The department's per employee late notice fee is:

Rate Per Hour	\$5.12
----------------------	---------------

- (2) (a) Requests for service on Saturdays, Sundays, or holidays, or for work before or after regularly scheduled working hours, Monday through Friday, must be received by the inspection office no later than 2:00 p.m. of the last regularly scheduled working day before the date of the requested service. For example, the inspection office must receive a request for Saturday service by 2:00 p.m. of the preceding Friday.
- (b) When the service request is not received by 2:00 p.m., the department will provide services if qualified employees are available.
- (3) (a) Service requests beyond the normal scope or volume requested at an inspection site must be received by the inspection office no later than 2:00 p.m. of the last regularly scheduled working day before the requested date of service.
- (b) The department will provide the service if adequate numbers of qualified employees are available.
- (4) The late notice fee will be assessed only for those hours of the service that the department is able to staff.

GRAIN INSPECTION SERVICE

WAC 16-239-075 Call-back fee.

(1) The department's call-back fee is:

Fee Per Employee	\$25.80
-------------------------	----------------

- (2) When the department receives requests for services after the close of business on a regular scheduled working day and sufficient numbers of qualified staff are available to provide the requested service, the department will assess a call-back fee for each employee scheduled for that shift or service request.
- (3) The department will assess one call-back fee for each employee scheduled for a shift on a Saturday, Sunday, or holiday.

WAC 16-239-076 Shift request fee.

(1) The department's per employee shift request fee is:

Rate Per Hour	\$7.70
----------------------	---------------

- (2) Requests for establishing a night or graveyard shift must be given to the department in writing. The requested shift will begin seven days after the department receives the applicant's written request.
- (3) If the night or graveyard shift begins before the seven-day notice period has expired, the department will assess a shift request fee for every hour an employee is assigned to the new shift(s) beginning with the day the employee is assigned until the seven-day notice expires.
- (4) In addition to paying shift request fees for night or graveyard shifts, those locations where the department cannot maintain full-time staffing due to inadequate workloads or inconsistent work schedules are assessed shift request fees for day shifts.
- (5) (a) At locations where department staffing has been reduced below the full-time permanent day shift numbers due to a lack of work, an applicant requesting a day shift that begins before the seven-day notice period has expired must pay a shift request fee for every hour that a department employee is assigned to the location.
- (b) The assessment begins when the department employee is assigned and ends when the seven-day notice for the assigned employee expires.

WAC 16-239-077 Shift cancellation fee.

(1) The department's per employee shift cancellation fee is:

Rate Per Hour	\$7.70
----------------------	---------------

- (2) (a) All requests to cancel a previously requested night or graveyard shift must be given to the department, in writing, at least twenty-one days before the cancellation date.
- (b) If the applicant does not give the department the full twenty-one day notice, a shift cancellation fee will be assessed for all hours between the time the assigned staff would have worked and the time when the twenty-one day notice expires.
- (3) Locations that are not routinely staffed due to inconsistent schedules or are inadequately staffed due to a lack of work, will be assessed the shift cancellation fee for all shifts where the full twenty-one day cancellation notice is not given.

WAC 16-239-078 Four-hour minimum standby fee.

(1) The department's per employee four-hour minimum standby fee is:

Rate Per Employee Per Hour	\$29.50
-----------------------------------	----------------

- (2) When a service is requested before or after the inspection office's established standard Monday through Friday workday or anytime on Saturdays, Sundays, or holidays and the service cannot be performed through no fault of the department, the per employee four-hour minimum standby fee will be assessed.
- (3) The per employee four-hour minimum standby fee is assessed when service is requested at a location not routinely staffed on a Monday through Friday basis if the department is able to adequately staff qualified personnel to perform the service and, through no fault of the department, the service cannot be performed.
- (4) When a requested service begins or ends within two hours of the regular starting or ending time of a shift and the service cannot be performed through no fault of the department, the per employee standby fee is assessed on a per hour basis.
- (5) The per employee standby fee is assessed for all hours staffed at the request of the applicant over the four-hour minimum.

WAC 16-239-079 Service cancellation fee.

(1) The department's per employee service cancellation fee is based upon a four-hour minimum at the straight time rate:

Rate Per Employee Per Hour	\$29.50
-----------------------------------	----------------

- (2) The department will assess a per employee service cancellation fee when service is requested:
 - (a) Before or after working hours, Monday through Friday, or anytime on a Saturday, Sunday or holiday, and a cancellation of the request is not received by 2:00 p.m. of the last regularly scheduled working day before the service is scheduled to begin; or
 - (b) At locations that are not routinely staffed on a Monday through Friday basis because of inconsistent schedules or are inadequately staffed due to a lack of work and a service cancellation request is not received at the inspection office by 2:00 p.m. of the last regularly scheduled working day before the requested service is scheduled to begin.

WAC 16-239-080 Fees for official sampling, inspecting, and/or weighing services under the United States Grain Standards Act.
